## Sandalwood Sensory Experience

'Complete sensory experience of the native Sandalwood'

Your excursion begins when you board your air-conditioned motorcoach and travel to Mt Romance Sandalwood Factory. Established in 1997, Mt Romance pioneered the distillation and use of Australian Sandalwood (*Santalum spicatum*) in the fragrance industry. Today the 60,000m<sup>2</sup> facility is the world's largest distiller of Sandalwood oil and works to support local and global communities through the commitment to sustainable and ethical business. The 100% pure Australian Sandalwood essential oil is ideal for aromatherapy and is renowned for its antibacterial, anti-inflammatory and relaxant properties.

Take an exclusive 15 minute tour of the distillation factory to see the sustainable process of extracting the oil from the heartwood first hand. View the full range of his & hers retail products in the showroom and enjoy a discounted rate on purchases.

Indulge in a \*Gong relaxation session with a complimentary oil infused scarf and get a taste for sandalwood infused foods with your morning tea or coffee. Leave with the sensations, aromas and appreciation of this precious natural resource.

### INCLUDES

- The Sandalwood story from soil to oil
- 15 Minute factory tour
- Morning tea/coffee with sandalwood fudge, scones, jam & cream
- Free Gong relaxation session \*Optional or Free Relaxation Kit.

'Paired tastings of wine and local produce'

Your excursion begins when you board your air-conditioned motorcoach and travel to **Oranje Tractor Wines**. Explore paired tastings on a guided Wine Flight.

Pam and Murray do things differently! Always thinking of fellow inhabitants on this earth they are on a continuous sustainability journey. Their 'goal is to craft unique, terroir-specific for you to enjoy using practices that care for the earth'. They put effort into four key areas of production including sustainable and organic farming; renewable energy, recycling and re-using and revegetation. You'll see this as you walk through their extensive organic gardens to the rustic Tasting Room. The Tasting Room is packed with vintage items and ambient charm, to help you feel relaxed.

Enjoy a seated interpretive tasting of five Oranje Tractor Wines, guided by the owners of the winery. They have paired their wines with local organic cheeses and other seasonal produce.

## Wilderness of Walpole

‘Experience the wild on water and in the tree tops’

Your excursion begins at the pier where you will board your airconditioned motorcoach and travel the Great Southern Highway from Albany to the town of Walpole, home of Walpole-Nornalup National Park and the Valley of the Giants Tree Top Walk.

In Walpole you will board the boat for the **Walpole on Wilderness** tour of the Nornalup Inlet on an energetic recount of the exploits of early innovators of the region. You'll be rewarded with morning tea for correct answers!

Relax with a hamper lunch in the shade of the trees by the inlet and then travel on to the **Valley of the Giants**. You will be awestruck by the beauty of the forest and its towering karri and tingle trees. The karri tree can grow nearly 300 feet high, making it the tallest tree in Western Australia and one of the world's tallest hardwood trees. The red tingle tree can live more than 400 years, growing up to nearly 250 feet in height, with a girth of up to 85 feet. **Walpole-Nornalup National Park** is the only place where the red tingle tree still exists. A thrilling experience and you can be assured the walkway's lightweight steel trusses do provide secure support.

### INCLUDES

## Albany's Whale Story

'Celebrate the future through the past'

Gazing out from the summit of Sunset Hill across **Princess Royal Harbour, King George Sound** and the **Southern Ocean** the vista sets the scene. Imagine for a moment, the spume of spray and the playful leap of a whale as it makes its way along the Great Southern coast on a long journey north.

Today it travels safely; uninterrupted on its path. Albany's role in Australia's whaling story comes to life on this tour at **Albany's Historic Whaling Station, Discovery Bay**. A private, guided tour provides reflection on the significance of whale hunting in the past, and recognition of the value of whale watching today.

On return to Albany, enjoy the pristine marine environment of the southern Australian coastline seen in magnificent splendour on the journey through the **Torndirrup National Park** visiting **The Gap** and the **Natural Bridge**.

Simply breathtaking!
